Hunchly Dark Web Seminar Reference

Coupon code for 30% off valid until December 7 only: **darkwebinar**

Setup steps:

1. Download Tor Browser and launch it.
(<https://www.torproject.org/projects/torbrowser.html.en>)
2. Download and install Google Chrome. Copy the Chrome desktop shortcut, then copy and paste the following into the shortcut's target field after the chrome.exe part:

```
--proxy-server="socks5://localhost:9150" --host-resolver-rules="MAP * ~NOTFOUND , EXCLUDE localhost"
```
3. Download Hunchly (<https://www.hunch.ly/try-it-now>) and install it
